Subject: **Addendum No. 1**

Tender reference: *DHI/CSD/PROC/TEN/2026/13 dated August 5, 2026, for the Supply and Delivery of Equipment, Machines, Tools, and Accessories for Mini FabLab*

Dear Bidder(s),

With reference to the aforementioned tender, Druk Holding and Investments Limited (DHI) would like to issue the following addendum:

Table 1: Addenda

SN	Reference	Correction
1	Bid Data Sheet Clause 38.6 (page# 32 of the Bid Document): <i>Bidders shall not be allowed to quote prices for one or more lots.</i>	Bidders shall be allowed to quote prices for one or more lots. Since the evaluation will be conducted on an item-wise basis, the number of lots quoted by a bidder shall not be a determining factor in the evaluation.

Based on the clarifications sought by the prospective Bidder(s), DHI hereby provides the following responses:

Table 2: Clarifications

SN	Bidders' Queries	Purchaser's Response
1	May bidders submit offers for selected lots only, or must they quote for all eight lots?	Since the evaluation will be conducted on an item-wise basis, Bidders may quote for any number of items, as they deem appropriate. Accordingly, the number of lots quoted by a Bidder shall not be a determining factor in the evaluation.
2	May bidders quote for selected items within a lot, or must they quote for every item and the full quantity specified under each lot?	If a Bidder chooses to quote for an item, the Bidder shall provide the unit rate and corresponding amount for the specified quantity of that item in the Price Schedule.
3	The Bid Data Sheet states that "Bidders shall not be allowed to quote prices for one or more lots," while the tender documents also state that evaluation will be conducted item-wise. Please confirm the intended bidding and evaluation arrangement.	Please check <i>Table 1</i> .
4	If partial lot or item-level bidding is permitted, please advise how non-quoted lots or items should be marked in the Price Schedule.	For items that are not quoted, the Bidder may leave the relevant fields blank or indicate "—" or "NQ". The choice of notation shall be at the Bidder's discretion.
