2. Introduction

Druk Holding and Investments Ltd. (DHI) is the commercial arm of the Royal Government of Bhutan. DHI was established in 2007 upon issuance of the Royal Charter, "to hold and manage the existing and future investments of the Royal Government for the long-term benefit of the people of Bhutan".

As the investment arm of the Government, DHI will continue to grow and expand its business. In order to meet the future growth of DHI and its companies, it is important to have a well managed, and integrated website system in place. Therefore, it is important to have good resolution and relevant photographs in the DHI official website.

3. Background

DHI completed its first 10 years journey on 11th November 2017, and is currently into the next decade, where DHI plans to accelerate the growth and contribute twice as much as in the last decade. Given the importance of new mandates based on the DHI roadmap 2030, DHI and its companies have already started focusing on the economic development of the country, and also re-establishing the high-level strategic elements, a solid foundation to fulfill the 2030 roadmap. In line with these mandates, it is important for DHI to redesign and develop a new official website with the latest features and looks.

DHI is therefore seeking an experienced photographer to help in redesigning the new official website, by capturing good resolution and relevant photographs/pictures.

PART 2

1. Scope and Objective

DHI is currently working on the new website, in order to to enhance the user experience, simplify content management, and provide better information and service to its stakeholders, while meeting high standards for design quality and visual appeal.

DHI seeks the assistance of an experienced photography company that can accomplish all of the functionality identified in this RFP. The experienced company should have a team of experts who understand the requirement and help us achieve our vision. The Offeror/ Bidder shall furnish all necessary labor and resources, including but not limited to personnel, equipment, materials and supplies to provide photograph services to DHI.

DHI would like to find a firm to assist in accomplishing the following tasks, but not limited to:

1. Propose photographs to be used on a new website.
2. DHI intend to have photographs of DHI office, DHI Group companies, and other relevant photographs for the new website.
3. Shall be on-site prior to the scheduled photography time in order to professionally and adequately set-up equipment.
4. Shall provide all support personnel to organize and maintain the picture taking process.
5. Provide a sufficient number of photographers as may be determined and coordinated with the DHI.
6. Shall work closely with DHI focal person on the timeline and any related works.
7. All photographs shall be shot with state-of-the-art professional quality photography equipment.
8. Proper naming convention of the photographs must be done.
9. Shall submit the pictures in the format as per DHI's selection.
10. Shall retake the pictures if necessary, at the option of DHI.

To do this, the photographer has to gather photos and stories behind the photos and identifying key communications people that can support these efforts. For the photos, it will be important to collect a variety of shot types – e.g. extreme close-ups, close-ups, mid shot, long shot, staged shots, and action shots.

2. Rights and Proprietary

DHI shall own the rights and Proprietary of the photographs taken and the bidder must submit the original and copies to DHI.
